17. for purposes of implementation, administration, interpretation and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants acknowledge and attorn to the jurisdiction of this Court solely for the purpose of implementing, administering, interpreting and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order;

20. the Electrolytic Settlement Amount shall be held in the Trust Account by Ontario Counsel or its duly appointed agent for the benefit of BC Electrolytic Settlement Class Members, pending further order of this Court on notice to the Defendants. This paragraph shall not be interpreted as affecting the rights of the Plaintiff or the Settlement Classes to claim such Class Counsel Disbursements in the context of a future costs award in their favour against the Non-Settling Electrolytic Defendants, or the rights of the Non-Settling Electrolytic Defendants to oppose and resist any such claim;

21. upon the Effective Date, the BC Electrolytic Action is hereby dismissed as against the Settling Defendants, without costs and with prejudice;

22. the approval of the Settlement Agreement is contingent upon parallel orders for approval being made by the Ontario Court and the Québec Court, and the terms of this Order shall not be effective unless and until the Settlement Agreement is approved by the Ontario Court and the Québec Court, and the Ontario Electrolytic Action has been dismissed with prejudice and without costs and the Québec Electrolytic Action has been declared settled out of court without costs and without reservation as against the

Settling Defendants in the relevant proceeding by the Courts. If such orders are not secured in Ontario and Québec, this Order shall be null and void and without prejudice to the rights of the parties to proceed with the BC Electrolytic Action and any agreement between the parties incorporated in this Order shall be deemed in any subsequent proceedings to have been made without prejudice;

23. in the event that the Settlement Agreement is terminated in accordance with its terms, this Order shall be declared null and void without the need for further Order of this Court but with notice to the BC Electrolytic Settlement Class and the Non-Settling Electrolytic Defendants;

24. this Order, including but not limited to the approval of the Settlement Agreement and any reasons given by the Court in relation thereto, except as to paragraphs 11 – 16 of this Order, is without prejudice to the rights and defences of the Non-Settling Electrolytic Defendants in connection with the ongoing BC Electrolytic Action and, without restricting the generality of the foregoing, may not be relied on by any Person to establish jurisdiction, the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the BC Electrolytic Action as against the Non-Settling Electrolytic Defendants; and

For greater certainty, the Settling Defendant's obligation to provide the access begins no later than thirty (30) days after the Effective Date and shall continue on an ongoing basis until the Settling Defendants' cooperation obligations cease per section 4.1(12).

- (5) Within ninety (90) days of a request from Class Counsel, which shall not be made until the earlier of (i) a finalized discovery plan in the Ontario Electrolytic or Film Actions, as applicable, or (ii) a finalized litigation protocol that provides for the production of documents in the Québec Action, unless it is otherwise agreed by the Parties that the request may be made on other reasonable grounds at an earlier time, the Settling Defendants agree to make reasonable efforts to provide:
 - (a) to the extent it is not produced under s. 4.1(3) and is reasonably available in electronic form, production of data pertaining to the Settling Defendants' global sales of Electrolytic Capacitors and/or Film Capacitors, including information regarding the Settling Defendants' sales of Electrolytic Capacitors and/or Film Capacitors in North America, specifically including all customer and sales data regarding sales of Electrolytic and Film Capacitors to Canadian customers, for the full duration of the Class Period plus two years before and after it and cost information associated with those sales;

- (6) Within ninety (90) days after the Effective Date, or at a time mutually agreed upon by the Parties acting reasonably, the Settling Defendants agree to the conduct of a witness interview by the Plaintiffs with one (1) current employee of the Settling Defendants with knowledge of the alleged conspiracy. The interview may last up to two (2) full business days and will occur by videoconference using a virtual meeting platform unless applicable COVID-19 related restrictions have been lifted and in such case the interview may occur in person in Japan, unless Panasonic consents to an in-person interview outside of Japan. For greater certainty, the witness interview will mirror the process taken in the U.S. Litigation. The interview shall not be under oath. Costs incurred by, and the expenses of, the employee(s) of the Settling Defendants in relation to such interview, including any cost for a translator, shall be the responsibility of the Settling Defendants.
- (7) The Settling Defendants agree to use reasonable efforts to authenticate any of their Documents or data produced in accordance with subsections 4.1(1), (3) and (5) to the extent the Settling Defendants can establish their authenticity and that the Plaintiffs require their authentication for their admission and use at any point in the Proceedings.
- (8) The Settling Defendants agree to make available two (2) current employees of the Settling Defendants with relevant knowledge of the alleged conspiracy to provide affidavit or live testimonial evidence on the certification motion, summary judgment and/or at the trial or in such other circumstances in the litigation as the Parties may otherwise agree (in the Electrolytic Proceedings and the Film Proceedings), to the extent that such evidence is

required by the Plaintiffs, at a location to be mutually agreed upon as the circumstances require, and provided that such witness's travel to and from the location of the certification motion, summary judgment and/or at the trial or in such other circumstances in the litigation as the Parties may otherwise agree is safe and permitted by applicable national, regional, and local laws, rules, and regulations regarding travel, and provided that the witness's participation is subject to such witness's right to refuse to travel to the certification motion, summary judgment and/or at the trial or in such other circumstances in the litigation as the Parties may otherwise agree for legitimate, health-related concerns. If the witness refuses to or is unable to travel for reasons described in this paragraph, the Parties shall agree on another satisfactory means of obtaining the witness's evidence. The parties agree to collaborate to minimize the costs incurred by, and the expenses of, the employee of the Settling Defendants in relation to such testimony, including any cost for a translator, and agree that Class Counsel shall assume these costs.

- (9) The obligation to produce and authenticate Documents produced pursuant to subsection 4.1(3) shall be a continuing one to the extent that additional Documents are provided by the Settling Defendants to the Canadian Competition Bureau, the U.S. Department of Justice or in the context of the U.S. Litigation regarding Electrolytic Capacitors and/or Film Capacitors which are at issue in the Proceedings. Class Counsel and the Plaintiffs shall, in reference to this continuing obligation, consult with Counsel for the Settling Defendants and seek to utilize the least burdensome, costly and intrusive means for the Settling Defendants to discharge their obligation under this provision.
- (10) Nothing in this Settlement Agreement shall require, or shall be construed to require, the Settling Defendants, or any representative or employee of the Settling Defendants, to disclose or produce any Documents or information that is legally privileged or to disclose or produce any Documents or information in breach of any order, non-disclosure, privacy or confidentiality obligation, regulatory directive, rule or law of this or any jurisdiction, it being understood and agreed that no non-disclosure or confidentiality obligation applies or shall apply to prevent the productions contemplated by sections 4.1(1), (3), (5) and (6).
- (11) If any of the Documents referenced in 4.1(10) are accidentally or inadvertently disclosed or produced, such Documents shall be promptly returned to the Settling Defendants and the Documents and the information contained therein shall not be disclosed or used, directly or indirectly, except with the express written permission of the Settling Defendants,

and the production of such Documents shall in no way be construed to have waived in any manner any privilege, doctrine, law, or protection attached to such Documents.

- (12) The obligations of the Settling Defendants to cooperate as particularized in Section 4.1 shall not be affected by the release provisions contained in Section 7 of this Settlement Agreement. The obligations of the Settling Defendants to cooperate shall cease at the date of final judgment in the Proceedings as against all Defendants. For greater certainty, the Plaintiffs' failure to strictly enforce any of the deadlines for the Settling Defendants to provide cooperation pursuant to this Section 4.1 is not a waiver of the cooperation rights granted by Section 4.1.
- (13) The cooperation obligations outlined herein are essential and material terms of the Settlement Agreement. If the Settling Defendants materially breach this Section 4.1, the Plaintiffs may move before the Courts to enforce the terms of this Settlement Agreement or set aside the approval of the Settlement Agreement or a part thereof, and may exercise any rights they have to seek or obtain testimony, discovery, information or Documents from current officers, directors and/or employees of the Settling Defendants.
- (14) Subject to subsection 4.1(13), the provisions set forth in this subsection 4.1 are the exclusive means by which the Plaintiffs and Class Counsel may obtain discovery, information or Documents from the Settling Defendants and other Releasees, including the officers, directors or employees of the Settling Defendants and other Releasees as at the Effective Date, and the Plaintiffs and Class Counsel agree that they shall not pursue any other means of discovery against, or seek to compel the evidence of, the Settling Defendants and the other Releasees or their current officers, directors, employees, agents, or counsel, whether in Canada or elsewhere and whether under the rules or laws of any Canadian or foreign jurisdiction.
- (15) For greater clarity, the Plaintiffs do not in any case waive any rights they have to seek or obtain testimony, discovery, information or Documents from those officers, directors and/or employees of the Settling Defendants and other Releasees who, as at the Effective Date, are former officers, directors and/or employees of the Settling Defendants and other Releasees.

4.2 Limits on Use of Documents

- (1) It is understood and agreed that all Documents and information made available or provided by the Settling Defendants to the Plaintiffs under this Settlement Agreement, shall be used only in connection with the prosecution of the claims in the Proceedings, and shall not be used directly or indirectly for any other purpose, except to the extent that the Documents or information are or become publicly available. The Plaintiffs and Class Counsel agree they will not disclose the Documents and information provided by the Settling Defendants except: (i) to experts, consultants or third-party service providers retained by them in connection with the Proceedings who have agreed to comply with the provisions of this Settlement Agreement and any confidentiality orders issued pursuant to subsection 4.2(2); (ii) to the extent that the Documents or information are or become publicly available; (iii) as necessary for the prosecution of the Proceedings; or (iv) as otherwise required by law. Subject to the foregoing, the Plaintiffs and Class Counsel shall take reasonable precautions to ensure and maintain the confidentiality of such Documents and information, and of any work product of Class Counsel that discloses such Documents and information, except to the extent that the Documents and information are or become publicly available.
- (2) If the Plaintiffs intend to produce for discovery or file in the Proceedings any Documents or other information provided by the Settling Defendants as cooperation under the Settlement Agreement (and there is not already a confidentiality order that applies), the Plaintiffs shall provide the Settling Defendants with an advance description of the Documents or other information sought to be produced or filed at least thirty (30) days in advance of the proposed production or filing, in order that the Settling Defendants may move to obtain a sealing or confidentiality order or similar relief. If, within the thirty (30) day period, the Settling Defendants do not so move, the Plaintiffs and Class Counsel can produce or file the information or Documents in the ordinary course. If, within that thirty (30) day period, the Settling Defendants so move, the Plaintiffs and Class Counsel shall not disclose the confidential Documents or information until the Settling Defendants' motion has been decided and all applicable appeal periods have expired, except, so as not to delay prosecution of the Proceedings, Class Counsel may: (i) provide, on an interim basis, Documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree that, until the Settling Defendants' motion has been decided and all applicable appeal periods have expired, they will keep the

Documents or information on an external counsel only basis and will only disclose such Documents or information to independent expert(s) retained by a Party for the purposes of the Proceedings, as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an employee of a Plaintiff or Defendant in the Proceedings, or a competitor of the Settling Defendants; and (ii) file such Documents or information with the relevant Court in sealed envelopes or other appropriate containers, segregated from the public record, endorsed with the title of the Proceeding and the following statement: "This envelope/box/container containing documents which are filed by [name of Party] and subject to a pending confidentiality motion is not to be opened nor the contents thereof to be displayed or revealed to any non-Court personnel except by order of the Court" and such records shall not form part of the public record in the relevant Proceeding except upon order of the relevant Court or by agreement of all Parties and/or the Settling Defendants whose confidential information is contained therein.

- (3) In the event that a Person applies for an order requiring the Plaintiffs to disclose or produce any Documents or information provided by the Settling Defendants as cooperation under this Settlement Agreement, the Plaintiffs shall notify the Settling Defendants of such application promptly upon becoming aware of it and no later than ten (10) days after disclosure or production is sought, in order that the Settling Defendants may move to oppose such disclosure or production. In no circumstances shall the Plaintiffs or Class Counsel apply for or consent to such an application for disclosure or production. The Plaintiffs and Class Counsel shall not disclose the confidential information or Documents until the Settling Defendants' motion has been decided and a final order has been issued requiring the Plaintiffs and/or Class Counsel to produce the relevant information or Documents, except: (i) to the extent such information or Documents are or become otherwise publicly available; (ii) as ordered to do so by a Court; or (iii) in the event that the Person making the request is a Non-Settling Defendant, so as not to delay prosecution of the relevant Proceeding(s), Class Counsel may provide, on an interim basis, Documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree and give assurances that, until a final order has been issued requiring the Plaintiffs and/or Class Counsel to produce the relevant information or Documents, and all applicable appeal periods have expired, the Documents or information will remain with external counsel and will only be disclosed to independent expert(s) retained by a Party for the purposes of the relevant Proceeding, as well as secretarial,

clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an employee of a Plaintiff or Defendant in the relevant Proceeding, or a competitor of the Settling Defendants.

AND ON BEING ADVISED that the deadline for objecting to the Settlement Agreement has passed and there have been ● objections to the Settlement Agreement;

AND ON BEING ADVISED that the Plaintiffs and the Settling Defendants consent to this Order and that the Non-Settling Defendants take no position on this motion:

1. **THIS COURT ORDERS** that, for the purposes of this Order, except to the extent that they are modified in this Order, the definitions set out in the Settlement Agreement apply to and are incorporated into this Order.
2. **THIS COURT ORDERS** that, in the event of a conflict between this Order and the Settlement Agreement, this Order shall prevail.
3. **THIS COURT ORDERS** that the Settlement Agreement is fair, reasonable and in the best interests of the Ontario Electrolytic Settlement Class.
4. **THIS COURT ORDERS** that the Settlement Agreement is hereby approved pursuant to section 29 of the *Class Proceedings Act, 1992* and shall be implemented and enforced in accordance with its terms.
5. **THIS COURT ORDERS** that this Order, including the Settlement Agreement, is binding upon each member of the Ontario Electrolytic Settlement Class including those Persons who are minors or mentally incapable and the requirements of Rules 7.04(1) and 7.08(4) of the *Rules of Civil Procedure* are dispensed with in respect of the Ontario Electrolytic Action.
6. **THIS COURT ORDERS** that each Ontario Electrolytic Settlement Class Member who has not validly opted-out of this action shall be deemed to have consented to the dismissal of Released Electrolytic Claims as against the Settling Defendants and its Releasees of any Other Actions he, she or it has commenced, without costs and with prejudice.
7. **THIS COURT ORDERS** that each Other Electrolytic Action commenced in Ontario by any Ontario Electrolytic Settlement Class Member who has not validly opted-out of this action shall be and is hereby dismissed in respect of Released Electrolytic Claims against the Settling Defendants and the Releasees, without costs and with prejudice.

8. **THIS COURT ORDERS** that, upon the Effective Date, subject to paragraph 10, each Electrolytic Releasor has released and shall be conclusively deemed to have forever and absolutely released the Releasees from the Released Electrolytic Claims.
9. **THIS COURT ORDERS** that, upon the Effective Date, each Electrolytic Releasor who has not validly opted-out of this action, as well as Class Counsel, shall not now or hereafter institute, continue, provide assistance for or maintain or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other Person, any action, suit, cause of action, claim or demand against any Releasee, or any other Person who may claim contribution or indemnity or other claims over relief from any Releasee, in respect of any Released Electrolytic Claims, except for the continuation of the Proceedings against the Non-Settling Defendants or unnamed co-conspirators that are not Releasees or, if the Proceedings are not certified or authorized, the continuation of the claims asserted in the Proceedings on an individual basis or otherwise against any Non-Settling Defendants or unnamed co-conspirator that is not a Releasee.
10. **THIS COURT ORDERS** that the use of the terms “Electrolytic Releasors” and “Released Electrolytic Claims” in this Order does not constitute a release of claims by those members of the Ontario Electrolytic Settlement Class who are resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors.
11. **THIS COURT ORDERS** that, upon the Effective Date, each member of the Ontario Electrolytic Settlement Class who is resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors covenants and undertakes not to make any claim in any way or to threaten, commence, participate in or continue any proceeding in any jurisdiction against the Releasees in respect of or in relation to the Released Electrolytic Claims.

b. the Ontario Plaintiffs and Ontario Electrolytic Settlement Class Members shall limit their claims against the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, to include, and shall only seek to recover from the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, only such claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*), attributable to the aggregate of the several liability of the Non-Settling Electrolytic Defendants and/or named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, to the Ontario Plaintiffs and Ontario Electrolytic Settlement Class members, if any, and, for greater certainty, the Ontario Electrolytic Settlement Class members shall be entitled to seek to recover such damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*) on a joint and several basis as between the Non-Settling Electrolytic Defendants and/or

named or unnamed alleged co-conspirators and/or any other Person or party that is not a Releasee, if permitted by law; and

- c. this Court shall have full authority to determine the Proportionate Liability of the Releasees at the trial or other disposition of the Ontario Electrolytic Action, whether or not the Settling Defendants remain in the Ontario Electrolytic Action or appear at the trial or other disposition, and the Proportionate Liability of the Releasees shall be determined as if the Releasees are parties to the Ontario Electrolytic Action and any determination by this Court in respect of the Proportionate Liability of the Releasees shall only apply in the Ontario Electrolytic Action and shall not be binding on the Releasees in any other proceeding.

14. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which the Non-Settling Electrolytic Defendants may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs (including investigation costs claimed pursuant to section 36 of the *Competition Act*) or judgment against them in favour of members of the Ontario Electrolytic Settlement Class in the Ontario Electrolytic Action or the rights of Ontario Plaintiffs and Ontario Electrolytic Settlement Class members to oppose or resist any such arguments, except as provided for in this Order.

15. **THIS COURT ORDERS** that a Non-Settling Electrolytic Defendant may, on motion to this Court determined as if the Settling Defendants remained party to this action, brought on at least ten (10) days' notice to Counsel for the Settling Defendants and not to be brought until the Ontario Electrolytic Action against the Non-Settling Electrolytic Defendants has been certified as a class proceeding (but not including any certification for settlement purposes), seek orders for the following:

- d. the production of a representative of the Settling Defendants to testify at trial, with such witness to be subject to cross-examination by counsel for the Non-Settling Electrolytic Defendants.
16. **THIS COURT ORDERS** that the Settling Defendants retains all rights to oppose such motion(s) brought under paragraph 15. Moreover, nothing herein restricts the Settling Defendants from seeking a protective order to maintain confidentiality and protection of proprietary information in respect of Documents to be produced and/or for information obtained from discovery in accordance with paragraph 15. Notwithstanding any provision in this order, on any motion brought pursuant to paragraph 15, this Court may make such orders as to costs and other terms as it considers appropriate.
17. **THIS COURT ORDERS** that a Non-Settling Electrolytic Defendant may serve the motion(s) referred to in paragraph 15 above on the Settling Defendants by service on Counsel for the Settling Defendants in the Ontario Electrolytic Action.
18. **THIS COURT ORDERS** that for purposes of implementation, administration, interpretation and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants acknowledge and attorn to the jurisdiction of this Court solely for the purpose of implementing, administering, interpreting and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.

20. **THIS COURT ORDERS** that no Releasee shall have any responsibility for and no liability whatsoever relating to the administration of the Settlement Agreement or Distribution Protocol(s).
21. **THIS COURT ORDERS** that the Electrolytic Settlement Amount shall be held in the Trust Account by Ontario Counsel or its duly appointed agent for the benefit of Ontario Electrolytic Settlement Class members, pending further order of this Court on notice to the Defendants and, after the Effective Date, the Settlement Amount can be used to pay Class Counsels Disbursements incurred for the benefit of the Settlement Classes in the

continued prosecution of the Ontario Electrolytic Action against the Non-Settling Defendants. This paragraph shall not be interpreted as affecting the rights of the Plaintiffs or the Settlement Classes to claim such Class Counsel Disbursements in the context of a future costs award in their favour against the Non-Settling Defendants, or the rights of the Non-Settling Defendants to oppose and resist any such claim.

22. **THIS COURT ORDERS** that, upon the Effective Date, the Ontario Electrolytic Action is hereby dismissed as against the Settling Defendants, without costs and with prejudice.
23. **THIS COURT ORDERS** that the approval of the Settlement Agreement is contingent upon parallel orders for approval being made by the BC Court and the Québec Court, and the terms of this Order shall not be effective unless and until the Settlement Agreement is approved by the BC Court and the Québec Court, and the BC Electrolytic Action has been dismissed with prejudice and without costs and the Québec Action has been declared settled out of court without costs and without reservation as against the Settling Defendants in the relevant proceeding by the Courts. If such orders are not secured in British Columbia and Québec, this Order shall be null and void and without prejudice to the rights of the parties to proceed with the Ontario Electrolytic Action and any agreement between the parties incorporated in this Order shall be deemed in any subsequent proceedings to have been made without prejudice.
24. **THIS COURT ORDERS** that, in the event that the Settlement Agreement is terminated in accordance with its terms, this Order shall be declared null and void on subsequent motion made on notice.
